

A Fitness check of the Food chain

First results and next steps

**ADVISORY group
22 November 2013**

**Alexandra NIKOLAKOPOULOU
Food chain, DG SANCO**

1.1 Fitness check - Objective

Verify if food chain policy is 'fit for purpose', by identifying administrative burden, overlaps/gaps, deficits and/or obsolete measures;

COMMISSION STAFF WORKING DOCUMENT

A FITNESS CHECK OF THE FOOD CHAIN

State- of- play and next steps

to be published in 4Q 2013

1.2 Fitness check - Scope

SANCO Food chain chosen for its

- *Socio-economic importance: Role of the Food sector in Europe*
- *Extensive legislative EU framework: One of the most EU-level harmonized sectors*

Scope: Overall assessment of **16 main policy areas** in the Food chain to identify deficits and gaps

1.3 Fitness check - Tools

1.4 Results – State of play

	<i>EU added value</i>	<i>EU2020 priorities</i>	<i>Fit for purpose</i>	<i>Next actions</i>
<i>In force</i>	<i>Identifying additional impact on competitiveness, innovation health and safety</i>	<i>Linking policy action to strategic priorities on Smart growth</i>	<i>Main issues to be resolved, reflecting stakeholder input</i>	<i>Concrete actions to address remaining gaps and deficits</i>
<i>Entering into force</i>				
<i>To be adopted</i>				
<i>Assess</i>				

1.5 Fitness check – First results

- **Comprehensive:** Full Food chain with 16 policy areas
- **Consistent:** Using Smart regulation assessment criteria (Simplification, administrative burden, SME impact, economic impacts)
- **Critical:** Assessment of each policy including deficits and gaps
- **Conclusive:** Narrative for REFIT General Food Law

2.1 REFIT - Background

EU legislation 'is essential to ... set the conditions for smart, sustainable and inclusive growth, benefitting citizens, businesses and workers ...'.

Commission's commitment to 'meet policy goals at minimum cost, achieving the benefits that only EU legislation can bring and eliminating all unnecessary regulatory burden.'

Commission Communication: Regulatory Fitness and Performance (REFIT): Results and Next Steps COM(2013) 685 final

2.2 REFIT - Scope

Building on Fitness check 'first results and next steps':

2nd phase: Focus on General Food Law, the principles of the Food chain legislative framework:

- Deficits and gaps, synergies and overlaps

- Simplification and gains and administrative burden reduction

- Contribution to growth and jobs without compromising Consumer choice and Public health
